

Robyn Beazley
ENTHUSIASM EXPERT

Robyn Beazley grabs life by the horns and enjoys the ride. Born and raised on cattle ranch in Alberta, Canada, this really doesn't come as a surprise. Growing up, she was actively involved in 4-H and agricultural youth programs. Four years of post secondary school in Kansas and Texas got her a degree in Agriculture Business. What she wasn't expecting – to be swept off her feet by a Texan! The love of her life, husband John, originally moved north and called Canada home for 7 years after getting their degrees. In 2012, they moved back to Texas.

Robyn wrote *Live an Amazing Life*, a collection of stories that inspire and encourage positive attitude. As a Mompreneur – business owner, coach, consultant, and motivational speaker; she's changing lives in everything she does. She is excited to help you live a more amazing life.

Please welcome, enthusiasm expert – Robyn Beazley!
